Kansas City, Missouri's monuments and fountains are maintained and operated by KCMO Parks and Recreation.

HONOR

THOSE WHO SERVED OUR
COUNTRY

BLACK VETERANS MEMORIAL

Kansas City, Missouri

THE ENSHRINERS

The Enshriners are a group of businessmen who have come together to sponsor many different events in Kansas City, Missouri. Under the leadership of former Parks and Recreation Commissioner, Ollie W. Gates, the citizens and the City have benefited from this group of interested men.

Among the events and attractions that have been touched significantly are the Spirit of Freedom Fountain, Satchel Paige Stadium, Bruce R. Watkins Cultural Heritage Center, Arrington "Bubble" Klice Memorial, Heart of America Junior Golf Academy and more.

PURCHASE A PAVER

At the north end of the site a polished granite monument commemorates the service of black veterans throughout United States history.

At the south end of the site, above the retaining wall of The Terrace, a large US flag flies atop a 50' pole set in a granite base.

A wide sidewalk down the center of the block links the monument to the flagpole, and is lined with benches and ornamental lights. This Plaza space is flanked on each side with a row of oak trees, the US national tree.

In the middle of the walk a 4'-wide panel is filled out with dedicatory granite pavers, etched with the names of veterans and/or military units. These pavers are available for purchase to assist with the maintenance of the Plaza as well as offering veterans, friends, families and organizations the opportunity to honor the soldiers who fought valiantly for our nation.
