Gillham Corridor

Bike Connections

OPEN HOUSE

The City of Kansas City, Missouri and the Mid-America Regional Council invite you to a community meeting to provide feedback on options for improving bike connections in the Gillham Road Corridor.

Tuesday, January 30, 2018
4:30-6:00 p.m.

Cornerstones of Care

The purpose of this project is to identify potential improvements for a bicycle corridor developed through both technical analysis and community engagement.

The Gillham Road Corridor, spanning from approximately Brush Creek on the south to 18th Street on the north, is a diverse corridor with varying right-of-way, adjacent land uses, and travel patterns.
