9. EVALUATION CRITERIA

Any evaluation criteria or weighting of criteria is used by the City only as a tool to assist the City in selecting the best proposal for the City. Evaluation scores or ranks do not create any right in or expectation to a contract with the City regardless of any score or ranking given to any Proposer by the City. In other words, even if the City gives a Proposer the highest rank and highest score, the Proposer still has no expectation of a contract with the City and the City may choose to contract with any other Proposer regardless of the score or rank of the other Proposer.

10. INTERVIEWS

The City, in its sole discretion, may interview none, one, some or all of the Proposers who submit proposals.

11. DISCUSSIONS AND NEGOTIATIONS

The City, in its sole discretion, may do any or all of the following:

Proposer agrees that even if the City negotiates or makes a counter offer to Proposer on Proposer's original Proposal or any subsequent Proposal submitted by Proposer to the City, Proposer hereby grants to the City, in the City's sole discretion, the unconditional right for the City to accept Proposer's original Proposal and the City's negotiation or counter offer shall not be deemed to be a counter offer.
- (b) After one hundred and twenty (120) days, the City can accept any proposal or subsequent proposals from any Proposer with the consent of the Proposer at any time and regardless of the length of time that has passed from the proposal due date.

13. SELECTION

The City will select the proposal that in the City's sole judgment the City determines to be the best Proposal. Section 432.070, RSMo requires the City to have a written executed contract signed by both parties prior to anyone performing services or providing any goods, supplies, materials or equipment to the City. The written executed contract must also comply with the City Charter and City Ordinances. This means that a proposer does not have a contract with the City until a written contract is *executed*. A contract is *executed* when all of the following have occurred: (1) the City Council authorizes the execution of a contract with the Proposer (if City Council approval is requested by City staff or is required by City Ordinance); (2) persons with actual authority to bind both the City and the Proposer execute the contract; (3) the contract is approved by the Law Department; (4) the City issues a purchase order to the Contractor with the Director of Finance's certification of availability of funds for the contract; and (5) any other required step. A Proposer does not have a contract with the City until all the steps are completed. If the City does not complete all required steps, there is no contract between the City and the Proposer and the City has absolutely no contractual or financial obligation to any Proposer regardless of the amount of time, effort and money spent by the Proposer responding to the RFP and attempting to negotiate and obtain a contract with the City.

14. REJECTION OF PROPOSALS

The City reserves the unconditional right to reject any or all proposals received in response to this RFP at any time prior to the City executing a contract that meets the requirements of Section 432.070, RSMo, the City Charter and all applicable City Ordinances.

15. WAIVER OF ORDINANCES, REGULATIONS AND RFP REQUIREMENTS

Pursuant to Section 3-35, City Code of Ordinances, the City, at any time, may waive any requirements imposed in this RFP or by any City ordinance or regulation.

16. LATE PROPOSALS

The City, in its sole discretion, may consider proposals received by the City after the proposal due date if: (1) the proposal is sent via the U.S. Postal Service, common carrier or contract carrier, by

a delivery method that guarantees the proposal will be delivered to the City prior to the proposal due date; or (2) if the proposal is submitted by mail, common carrier or contract carrier it is determined by the City that the late receipt was due to the U.S. Postal Service, common carrier or contract carrier; or (3) the proposal is timely delivered to the City, but the proposal is at a different City location than that specified in this RFP; or (4) the City extends the due date after the deadline for a force majeure event that could potentially affect any or all Proposers meeting the deadline; or (5) the City has not opened any of the proposals; or (6) the proposal is required to be electronically submitted and is late due to a technology issue beyond the proposer's control; or (7) it is in the best interest of the City to accept the proposal.

17. CHANGES IN THE RFP

- (a) After this RFP is issued, the City, in its sole discretion, may change everything or anything contained in this RFP. The City will notify Proposers of all material changes.
- (b) If the City shall amend the RFP after the proposal due date, the City may, in its sole discretion, solicit new proposals in an amended RFP from anyone or everyone regardless whether a person submitted a proposal in response to the original RFP.

18. CHANGES IN EXECUTED CONTRACT AND ADDITIONAL WORK

- (a) After the City executes a contract in accordance with the requirements of Section 432.070, RSMo, the City Charter and City Ordinances, the City may, in its sole discretion, amend the contract to change anything or everything associated with the contract as long as such change is in the interest of the City and as long as the Contractor agrees to the change.
- (b) The City, in its sole discretion, may award additional contracts for related work or subsequent Project phases to the selected Contractor.
- (c) The City, in its sole discretion, may extend the term of the contract with the selected Contractor notwithstanding the expiration of the initial term or any subsequent term or all options to renew, until the City has a new contract in place with either Proposer or another provider or until the City terminates the Contract.

19. PROPOSER SOLELY RESPONSIBLE FOR ALL COSTS

Regardless of the amount of time, effort, cost and expense incurred by a Proposer in Proposer's attempt to win this City contract, Proposer agrees that Proposer shall be solely responsible and liable for any and all costs incurred by Proposer. The City shall have no liability or responsibility for any of Proposer's costs or expenses.

20. OWNERSHIP OF PROPOSALS

By submitting its Proposal, Proposer hereby agrees that Proposer's Proposal and any supplementary material submitted by the Proposer shall become property of the City.

21. DISCLOSURE OF PROPRIETARY INFORMATION

- (a) A Proposer may attempt to restrict the disclosure of scientific and technological innovations in which the Proposer has a proprietary interest, or other information that is protected from public disclosure by law, which is contained in the Proposal by:

1. marking each page of each such document prominently in at least 16-point font with the words "Proprietary Information";
 2. printing each page of each such document on a different color paper than the paper on which the remainder of the Proposal is printed; and
 3. segregating each page of each such document in a sealed envelope, which shall prominently display, on the outside, the words "Proprietary Information" in at least 16-point font, along with the name and address of the Proposer.
- (b) After either a contract is executed pursuant to the RFP, or all submittals are rejected, if access to documents marked "Proprietary Information", as provided above, is requested under the Missouri Sunshine Law, the City will notify the Proposer of the request, and it shall be the burden of the Proposer to establish that such documents are exempt from disclosure under the law.
- (c) If the Proposer elects to challenge a formal request for such information made to the City and if the Proposer is unsuccessful in keeping such information closed, the Proposer shall pay for any and all costs, attorney fees and fines that are a result of Proposer's attempt to keep the information closed.
- (d) Notwithstanding the foregoing, in response to a formal request for information, the City reserves the right to release any documents if the City determines that such information is a public record pursuant to the Missouri Sunshine Law. The City shall have no liability to any Proposer or anyone else for releasing any Proprietary Information of a Proposer even if the City is negligent in releasing or disclosing any Proprietary Information of any Proposer.

22. CLOSED RECORDS

All Proposals including interviews, presentations and documents, and meetings relating thereto may remain closed records or meetings under the Missouri Sunshine Law until a contract is executed or until all Proposals are rejected by the City. If the City amends this RFP, Proposals submitted in response to the original RFP may remain closed records until a contract is executed or all proposals submitted in response to the amended RFP are rejected. Proposals shall remain closed records even if the City mistakenly informs all Proposers that it is rejecting any and all Proposals prior to amending the RFP as long as the City intends to amend the RFP and resolicit Proposals.

23. INDEMNIFICATION

The City's standard contract requires that the Contractor shall indemnify, defend and hold harmless the City and any of its agencies, officials, officers, or employees from and against all claims, damages, liability, losses, costs, and expenses, including reasonable attorneys' fees, arising out of or resulting from any acts or omissions in connection with the contract, caused in whole or in part by Contractor, its employees, agents, or Subcontractors, or caused by others for whom Contractor is liable, including negligent acts or omissions of the City, its agencies, officials, officers, or employees. The contract requires Contractor to obtain specified limits of insurance to insure the indemnity obligation. **Contractor has the opportunity to recover the cost of the required insurance in the Contract Price by including the cost of that insurance in the Proposal.**

24. BUY AMERICAN AND MISSOURI PREFERENCE POLICIES

(a) Buy American Preference

It is the policy of the City that any manufactured goods or commodities used or supplied in the performance of any City contract or any subcontract thereto shall be manufactured or produced in the United States whenever possible. When proposals offer quality, price, conformity with specifications, term of delivery and other conditions imposed in the specifications that are equal, the City shall select the proposal that uses manufactured goods or commodities that are manufactured or produced in the United States.

(b) Buy Missouri Preference

It is the policy of the City to give preference to all commodities manufactured, produced, or grown within the State of Missouri and to all firms, corporations, or individuals doing business as Missouri firms, corporations, or individuals, when the quality is equal or better and delivered price is the same or less. It is the Proposer's responsibility to claim these preferences.

25. PROHIBITED ACTIVITIES BY FORMER CITY EMPLOYEES AND OFFICIALS

Section 2-2044 of the City's Code prohibits former elected City officials and former executive or administrative employees of the City from trying to influence a decision of the City on behalf of an employer or client for one year after that former employee or official leaves the City's employ. By submitting a proposal, Proposer affirms that Proposer and its team members and employees are in compliance with the requirements of Section 2-2044. Failure to comply with the requirements of Section 2-2044 may cause the Proposal to be rejected.
